Easy Piano Songs With Letter Notes

20 songs, all out of copyright, sorted by how long you've been playing. Right hand only, unless a left hand is shown.

Middle C is the C nearest the middle of the keyboard, marked C4. Every C sits just left of a pair of black keys.

The letters name the white keys going up: C D E F G A B, then C again. A ♯ after a letter means the black key just to its right.

A line (|) ends each bar.
